These are not adverts from the traders themselves, just simply recommendations from others in the village that have used their services and were happy with the results.

If you would like to recommend a trader or service provider that you have had direct experience of, please complete the village website form at: [www.broughtonvillage.net/local-trades-services](http://www.broughtonvillage.net/local-trades-services)

The legal bit: This is not of course a guarantee that a trader or service is faultless, and 'caveat emptor' (buyer beware) applies in all circumstances!
